

include/simpleText.h

```
graph TD; A[include/simpleText.h] --> B[SFML\Graphics.hpp]; A --> C[sstream];
```

A diagram showing a header file 'include/simpleText.h' at the top, which includes two other files: 'SFML\Graphics.hpp' and 'sstream'. Two blue arrows point from the header file to the included files below it.

SFML\Graphics.hpp
